(Full Office Note.)

†
Subject.

A dispensary for out-patients in the Oorgam New Town.

Senior Surgeon's letter No 9491 dated the 25th June, 1903.

*
Note.

In his letter No 3250 of the 15th March, 1903, to the Deputy Commr of Kolar, the Civil Surgeon, Kolar Gold Fields, reported that a Dispensary for out-patients was opened on the 1st idem in the Line shed put up for the Plague Deptt on the side of the proposed Civil Hospital, Oorgam New Town, and requested that a permanent Dispy: building might be sanctd and located on a more suitable side. But the Civil Surgeon does not quote therein the authority under which he had the dispensary referred to opened. It is stated that the Dispy: is being worked up by the staff of the Plague Camp, Oorgam, and that it is likely to be very largely resorted to, as it gets known

† 1. No. and date of latest letter or paper.
2. Catch words to show nature of subject.
3. Subject to be in red and body of note in black ink.

* 1. Statement of case in narrative form in regular sequence of subject matter or date.
2. Opinions to be stated only as supported by precedents, or general rules which should always be quoted.
3. Serial numbers in file, &c., to be always stated.
4. Dates of important documents referred should be given.
5. Write on both sides, leaving the same side as margin.

known as the Northern half of the Gold Fields.

In another letter No 390 dated the 11th March, 1903, the Civil Surgeon wrote to the Dy Comm^r about the desirability of housing the Sub Assistant Surgeon, Plague Camp, by the side of the main Road above the Camp, and requested that a suitable and permanent building might be put up for the Sub Asst Surgeon.

In his letter No 1192 dated the 18th March, 1903, the Dy Comm^r of Kolar brought to the Senior Surgeon's notice the want of a proper dispy: in the New Town, and stated that a small dispy: costing Rupees 2000/- and located between the Market-place and the Plague Hospital was all that was required. The Dy Comm^r also suggested that a bungalow like the Sanitary Board Inspector's at a cost of about 4000/- or 5000/- Rs might be built for the quarters of the Asst Surgeon in charge of the Plague Hospital, and that the building to be erected for the Dispensary might, after the Construction of the Govt Hospital, be used as Off^l Quarters or for any other purpose.

In forwarding the correspondence on the subject for early orders of Govt, the Senior Surgeon states that a Dispensary for out-patients only was opened on the 1st March, 1903 in the Zinc shed referred to, that is worked by the staff of the Plague Camp at Doregam, and that he agrees with the Dy Commr and Col Benson that a dispensary is necessarily required at the place for out-patients only to meet the wants of the Fields.

The Abstract Returns of sick treated in the said Dispensary, received from the Senior Surgeon shew that 266 patients were treated in March/03,
466 — do —— do —— April/03,
662 — do —— do —— in May/03.

Submitted for orders.
There are on the Fields
(1) a Civil Hospital in charge of a Civil Surgeon, and
(2) a Female Dispensary in charge of a Lady Apothecary.

9/7/03

It is not understood on what authority the Dispensary for outpatients was opened and the

Services of the Plague Establishment
utilized in connection therewith.
It is not also clear why the Civil
Hospital should not treat the
out patients and what distance
from the Civil Hospital, the nearest
Dispensary is now located - A plan
shewing the present & proposed public institutions
of the locality with distances from each in
furlongs duly marked thereon, may
if approved, be called for to enable
the Govt to judge whether the distance
admit the opening of a new Dispensary.

The propriety of constructing a
building for the sole use of Surgeon
employed on Plague duty seems
doubtful.

Submitted for orders. The inquiry
proposed may be
made. But I do not
know if the Dewan or
Councillor knows
the place personally

9/7/03

The Dewan
through 2nd
Councillor

I know nothing about this. If the
Dewan has no objection the inquiry
proposed may be made.
Should sanction have been authorized? 21-7-03.

Note Entd

The above orders were conveyed to the Offg: Senior Surgeon and the Deputy Commr of Kolar in Govt Memo: No G 521-22 dated the 31st July, 1903

With reference thereto, the Dy Commr of Kolar states in his letter No 597/50 of the 3rd August 1903,

(1) that the temporary Dispensary referred to is situated on the site chosen for the proposed Govt Hospital in the Gorgaum near Town, and within a furlong of the Plague Hospital

(2) that the temporary Dispensary is about 2 miles from the present temporary Govt Hospital, which is located in a rented building, near Champion Reef, which is not a central position, and

(3) that the temporary Dispensary being

being next door to the Plague Hospl
can be looked after by the Plague
Assistant Surgeon and staff without
any extra cost to Govt; old
Tins and tile materials being utilized
in the erection of the building.
The Dy Comm^r also adds that the
dispensary opened is an absolutely
temporary arrangement and that
it will be abolished directly Govt
begin the erection of the Govt Hospl
already sanctioned in the D.P.S.
Budget for 1903-04.

Read:- Letter No G 491 of the 25th June, 1903, from the Offg: Senior Surgeon and Sanitary Commr with the Govt of Mysore, stating that a dispensary for out-patients only was opened on the 18th March, 1903, in the Zenic shed on the ~~side~~ site of the proposed Civil Hospital, Oorigaum New Town, Kolar Gold Fields and that it is worked by the staff of the Plague Camp at Oorigaum.

Order thereon No G 521-22 & 31/7/03

It is not understood on what authority the Dispensary for out-patients was opened and the services of the Plague Depn are being utilized in connection therewith. It is also not clear from the correspondence submitted with the above why the out-patients should not be treated in the Civil

Civil Hospital, Kolar Gold Fields, and at what distance from the Civil Hospital the new Dispensary is located. The Offg Senior Surgeon is requested to have, in Consultation with the ~~Chief Engr of~~ D/Comm Mysore, a plan of the locality prepared, shewing the present and proposed public institutions with their distances from each other, in furlongs duly marked thereon, and to submit the same for the orders of Govt.

2. Govt add that such unauthorised action as the one under reference places the Govt in a very inconvenient position which, it is trusted, may be avoided in future.
